

## WELCOME TO WATERFALL KENNELS 2025 HIGH SEASON DECEMBER BOOKINGS.

**PLEASE DO NOT MOVE TO THE NEXT SECTION UNTIL YOU HAVE READ AND CLEARLY  
UNDERSTOOD OUR HIGH SEASON POLICY, PRICING AND RECOMMENDATIONS!**

1. Our high season period extends from 12/12/2025 to 12/01/2026.
2. For all pets accommodated over this period, Waterfall Kennels charges a "**high season rate**".

Our non-sharing rate is **R385.00 /dog** for those dogs that must be accommodated individually.

Our companion sharing rate/night for a large dog is **R210.00**, medium **R195.00** & for a small breed type **R190.00**. Companion sharing references only 'well socialized' dogs that are happy sharing with an unrelated but 'equally' well socialized new friend.

Certain breed types are not automatically considered suitable for sharing unless they are boarded with a family member. These might include breeds like Pit Bull Terriers, Rottweilers, Bull Terriers, Staffies, Dobermans, Giant Schnauzers or German Shepherds. These breed types, regardless of their apparent good nature at home, are not always happy classmates in a busy kennel environment. For this reason, these boarders may incur the full **R385.00/kennel/night** and at our complete discretion if sharing is unsuccessful.

Waterfall Kennels has very effectively facilitated sharing dogs, and although more affordable this option is not without risk! Companion sharing needs to be carefully considered and it's on your word that we assume your dog will happily cohabit with others.

Although we typically try to accommodate similar breed types together, the decision to companion share must also take into consideration their usual habits, how protective are they over their own bedding, food bowl, toys etc.

An older dog that eats very slowly or perhaps even a younger shy dog who may hang back when food is presented is not necessarily easy to regulate when we are operating at full capacity.

- **Cat sharing policy:**

Our cattery can either accommodate single cats or a maximum of two cats/unit from the same family. As many as five cats - all from the same family can be accommodated in our limited garden units. All cats regardless of type are billed at **R185.00/night** over our high season period.

3. ***A deposit of R500.00 is payable for each dog and/or cat. For caged birds, rabbits, guinea pigs or hamsters there is a R200.00 deposit fee.***

- **Our cancellation policy:**

For those customers who have confirmed bookings prior to 15<sup>th</sup> November - we are willing to reimburse at 50% or R250.00/pet provided we receive notification before the end of November. Thereafter, deposits are non-refundable.

4. Until we confirm your booking via return e-mail, please do not assume that your booking has been confirmed even if a deposit payment has been made. If capacity has been reached you will be advised accordingly and refunded immediately.

5. Owners must on admission produce '**up-to date' vaccination & de-worming records**' for all their dogs and cats. Please consult with your local veterinarian regarding these requirements. We strongly recommend de-worming and the non-compulsory kennel cough vaccine for dogs prior to admission.

***Additionally, over high season we strongly recommend the kennel cough vaccine for dogs two weeks prior to admission.***
