WEDDINGS BLOG: LET US CHAT ABOUT WEDDINGS

Let us chat about the run up to the wedding

in ANTICIPATION

Planning a wedding can be the ultimate exercise in stress management. At times, it may feel as if you're being asked to juggle balls while jumping through flaming hoops of fire — all with a can-do smile on your face. And with unexpected wedding costs, vendor disputes and tricky etiquette dilemmas to contend with, it's no wonder some couples fantasize about eloping (or actually go through with it!).

Do it the easy way. Take your Wedding Expo online with our COMMUNICATOR (it's a bookmarked button on phones to offer up to date alerts and links to Pocket Advisor Links eg to the exhibitor list. Why should your Expo close when the doors close?

Click here for an 

Although no one can guarantee a bump-free road down the aisle, there are lots of tricks that can help make the process that much smoother so that you can get back to enjoying the *true* purpose of planning: marrying the person you want to spend the rest of your life with.

Make your wedding 'bucket list' a reality.
